WHO WE ARE

The ISQCCBE is a registered 501(c)3 (EIN 31-1344682) that's primary goal is to raise money for non-profits in the Ohio and Cincinnati area that focus on LGBTQIA+ and humanitarian needs. Every year we elect co-fundraising chairs (known as monarchs) to lead a team of volunteers to raise money for charities. We're a member of the International Court System.

While our schtick is "Crowns and Gowns," we don't take ourselves too seriously. We're just queer individuals and allies that love serving our community and looking fantastic while doing it.

Our Vision

Our vision is to not only raise money but also uplift the queer, questioning, trans, non-binary, and allies in our area. Everyone has a seat at our table, regardless of identity.

So Far

We've raised over \$1.6 million dollars since our founding in 1990 for local charities in the area that focus on HIV/AIDS prevention/care, women, LGBTQIA, and trans youth.

ISQCCBE

WHY CHOOSE US?

While we're all about glitter and crowns and gowns, we love to get a little silly and remind everyone that it's all just make believe and we're just queer people trying to better our community through service, dollars, and education.

We're a 100% volunteer organization. The only payment we get from serving our community and raising money for those in need is the joy it gives us. All proceeds from this event will benefit our three Designated Charities this year, which are:

caracole

Provides housing, case management, and pharmacy services for people with HIV/AIDS

VISIONARIES + VOICES

An inclusive arts organization that provides a creative, professional, and educational opportunities for adults with disabilities.

LEAGUE FOR ANIMAL WELFARE

Choose No-Kill. Choose the League.

A privately funded, non-profit organization providing much-needed care for unwanted, lost and neglected cats and dogs in our community.

ISQCCBE

LET'S TALK BALLS

Since the beginning in 1990, the ISQCCBE has held an annual gala to not only celebrate the year of fundraising spearheaded by our co-fundraising chairs (i.e. the Monarchs) but to usher in a new Reign with new fundraising chairs.

We also utilize this event to celebrate and network with 60+ other Courts throughout the United States, Canada, and Mexico and hand out scholarships and awards to Cincinnati-based individuals.

This year's theme is inspired by leather and relaxation. We want people to come to our ball wearing everything from their formal leathers, sparkling gowns, and even blinged-out pajamas. We just want YOU to be comfortable and feel welcome. This is a promised safe space with some glitter, glamour, and a little bit of silliness!

Through ticket sales and sponsors LIKE YOU, we've been able to celebrate our community for 35 years! And every dollar of our proceeds go back to our charities!

We're a 100% Volunteer Organization!

WHAT WE NEED

Supporting your community starts with donations as small as \$1! We also love to work with local businesses for some in-kind donations as well to help with our freely provided Hospitality Suite, which always has some free food and cocktails during designated hours throughout the weekend!

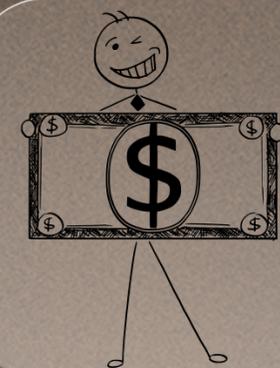

Ball Sponsorships

We have several different sponsorship levels to fit your budget needs! And your donation is tax deductible as allowed by law!

In-Kind

We would LOVE to work with your organization if you'd like to donate supplies for our Hospitality, which includes free food and cocktails.

Monetary Donations

Any amount of a donation, even if it's \$20, will greatly help us give more money back to our 3 Designated Charities at the end of the year!
